What some of our past graduate nurses have had to say about Castlemaine Health

"Staff are welcoming, encouraging, helpful and most of all, they are all more than willing to share their extensive knowledge with you."

"Strives for a high standard of care".

"...experienced the highest standard of skill & compassionate care in an environment that is friendly & supportive".

"Staff have been wonderful, really helpful & try to encourage us to seek as many opportunities as we can."

"Working in Aged Care has given me the confidence to manage a patient load in a timely manner."

"..education & training opportunities to assist in providing the best evidence based practice."

Although aged care can be difficult at times, with the support of the amazing staff and the beautiful residents that you get to care for, it'll be an experience that you will never want to end.
