What some of our past graduate nurses have had to say about Castlemaine Health

"I have been offered varied clinical settings to help build my professional knowledge & clinical practice".
"Strives for a high standard of care".
"...experienced the highest standard of skill & compassionate care in an environment that is friendly & supportive".
"Staff have been wonderful, really helpful & try to encourage us to seek as many opportunities as we can."

"Working in Acute has given me the confidence to manage a patient load in a timely manner. Being a smaller hospital, you are faced with many opportunities that are not always presented in a larger hospital".
"Great rotations through the wards"
"...education & training opportunities to assist in providing the best evidence based practice."
